

HAVE YOU RECEIVED A BONUS?

**Do you know the conditions under which
your bonus payments are terminated?**

**NGR 600-7, Selected Reserve Incentive Programs,
is the regulation that provides Army National
Guard policies and implementation of
Selected Reserve Incentive Programs.**

**If you received a bonus, you should also
have received and signed a bonus addendum,
NGB FORM 600-7-3-R-E.**

**You should safeguard this document and review it
from time to time. The bonus addendum is divided
into sections with one section addressing the
conditions under which your bonus will be
terminated.**

**For example, your bonus will be terminated with
recoupment based on unsatisfactory participation
(Nine unexcused absences/failure to attend or
complete AT without commander approval).**

[One drill weekend is four absences]
